Events

- We are holding a World Cup Picnic / Fun Afternoon on Sunday 19th July, so come along, spread the word.
- You may have seen the posters dotted around the Village
- On the 12th September, we are holding a coffee morning/book share /meet and greet. More details will follow in due course

Site Issues

- From your enquiries, we understand that this is your main concern
We are working hard to obtain updates and answers from the parties responsible for the completion and ongoing maintenance of our Village.
This is proving to be quite a challenge!
- We are pulling together a short summary of what has been happening and will cascade via these updates;
- Our view is that talking to you face to face is probably the best way to get this information across.
We don't have our own hall, meeting place as yet, which means we have to secure a venue which at the time of writing we are looking into, with a view to holding a meeting towards the end of the month, early in August – watch this space
- We understand you may want to raise site issues yourself with the respective developers, we are happy to do this on your behalf should you wish.
Either way, could you copy us into the issue via the e-mail address so we can be aware of it.

For now, we hope this provides a useful start, if you have any thoughts or suggestions, please do not hesitate to contact us.
